The full tour — all 14 tabs

Everything the printed binder covers, in order.

TAB 1 · INCOME

Income Tracking

You can't plan money you haven't counted.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 2 · RECURRING

Recurring Charges

Recurring charges are the bills that show up every single month — rent, phone, streaming, insurance.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 3 · RESERVES

Reserves & Sinking Funds

Some bills don't come every month — car insurance, property taxes, Christmas, or a surprise car repair.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 4 · SPENDING

Spending Categories

These are the everyday buckets you refill each month — groceries, fuel, eating out.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 5 · FUND MONTH

Fund the Month

Every time money lands, this is how you give each dollar a job — income by income, just like the app.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 6 · BIG PICTURE

The Big Picture

Your one-screen money map.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet

TAB 10 · PURCHASES

Future Purchase Planner

Thinking about a big buy — a car, a trip, appliances?

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 11 · SALES TAX

Sales Tax Tracking

If you itemize (especially in a no-income-tax state), the sales tax you pay can be a deduction.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 12 · SCHEDULE C

Schedule C Worksheet

If you run a small business or side gig, the IRS wants your income and expenses organized a certain way.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 13 · TAX PLAN

Income Tax Planning

Taxes shouldn't be a once-a-year panic.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

TAB 14 · PRE-ENTRY

Pre-Entry Worksheets

Plan on paper before you commit numbers.

- ✓ Why it matters · ✓ Step-by-step · ✓ Blank worksheet
- ✓ Filled example

Every section is built the same simple way

No jargon, no guessing — each tab walks you through it.

- 1 **Why it matters** — a plain-English reason to bother, in a sentence or two.
- 2 **Step-by-step instructions** — numbered, 5th-grade-simple steps with gold badges.
- 3 **A blank worksheet** — real fill-in forms with room to write, ready to print again and again.
- 4 **A filled-in example** — a handwritten sample so you always see what “done right” looks like.

Plus the owner bonuses

Buyers get a private owners page with:

- 1 **Blank Forms Pack** — every worksheet on its own, no examples, print as many as you like.
- 2 **Account Register Pages** — a running transaction log + a Deposit Allocation sheet.
- 3 **Paper Help Manual** — a friendly guide that walks you through the whole binder.
- 4 **Online Debt Payoff Calculator** — snowball or avalanche, with your debt-free date.
- 5 **Online Future Purchase Planner** — check if a big buy fits your budget before you sign.
